

What do you see?

What happened before

Think about what was happening right before the SIB. Jot down as much information as possible to help determine if there is a pattern.

The SIB

This is where you want to write down the type of SIB that is occurring i.e. headbanging, self-hitting, etc

Strategy used to support

What did you do to help the child calm and organize i.e. deep breathing, talking, using a quiet voice, offering a hug, etc. and did it help
